V. **DGA Finance Collaboration and Finance Updates**

   *Presented by Suandra Rogers*
DGA Finance team is prepared to help faculty navigate financial responsibilities and services to avoid personal liability

- Training and modules are mandatory (If program is led by co-directors both must complete training)
- Meeting with Vivian Bonilla or Saundra Rogers is required at least 45 days before departure to help navigate financials regarding their program.
- As of January 16th, 2018 there is a Contracts Submissions Office
  - Anytime there is a guest lecture or performance in your program procedure must now be followed through with the Contracts Submissions Office.

Discussion:
- Trainings are fatiguing for faculty and a better process is needed. This can deter faculty from participating in programs which affects students.
- These requirements are still important to make sure that everyone is clear on financial procedures to avoid personal liability.

VI. Pre-Departure Workshop Series and External Program Updates

- External programs are being reviewed by subcommittee for those programs who wish to partner with KSU or students who find programs outside of KSU
- All students will be required to complete an online pre-departure orientation.
  - A pre-departure workshop/event series will be offered in March & April
    - One event has taken place - Passport Day 2/20 - partnered with the Atlanta Passport Agency. Hoping to hold Passport Day event again in the Fall.
    - Other workshops include Health & Safety, Incorporating Education Abroad in your Career Path, and Diversity Abroad.
    - Ideas are welcome for workshops to be done for returning study abroad students.
      - Idea brought up of a workshop for international students on how to obtain a visa for their study abroad program (ie. which consulate to go to, general paperwork and documents needed, resources, and checklist for faculty to help student through process.)

VII. 2019 Faculty-Led Program Survey Results and EA Faculty Outreach & Overview of April 13, 2017 Review Process

- 33 faculty submitted surveys and indicated plans to propose a program for 2019.
- EAO has reached out to faculty new to proposing and scheduled a meeting or phone call to go through proposal.
- Program Coordinators will also reach out to returning faculty to discuss proposals via phone.
- Once proposals are received they will be sent out to committee members to review by April 3rd. Each proposal will be assigned 2 reviewers.
