

UNIVERSITY FACULTY COMMITTEE ON GLOBAL ENGAGEMENT (UFCGE)

MINUTES 2/12/16

Attendees: Douglas Moodie, Nina Morgan, Tom Pusateri, Christie Emerson, David Schmidt, Lance Askildson

1. The committee met on the Marietta campus to host a second Open Forum on the Strategic Internationalization Grants Program that would be more accessible to faculty who teach primarily on the Marietta campus. Unfortunately, the meeting was delayed due to parking and room location challenges and the committee did not achieve a quorum of attendees. Furthermore, there was no attendance at the Open Forum by faculty.
2. Without a quorum, the attending committee members simply discussed recent agenda items from the previous January meeting. These included the preliminary recommendations of the Interim Advisory Board for the Annual Country Study Program; the interim changes to the Global Engagement Certification; and questions concerning faculty insurance coverage when traveling internationally outside of a formal program role (e.g. for a conference) which had been addressed in a recent email exchange.
