AfroCuba

Juan Roberto Diago Durruthy,
#1 de la serie Momentos la fijeza
2002, mixed media, courtesy of artist
AfroCuba is a groundbreaking exhibition of 66 prints and drawings by 26 artists from Havana and Santiago de Cuba representing a cross section of Cuban society and a diverse range of subject matter, styles, and techniques.

This exhibition is the first to focus on Afro-Cuban artists and themes through a historical and thematic lens—and the first time this work has been grouped together in a major exhibition outside of Cuba.

A Year of Atlantic World event.
