

Global Learning Financial Support Community Service Application for Education Abroad Programs

As of Fall 2016, all students will be required to complete 5 hours of community service, either prior to departure or during their education abroad program, as well as submit an online Global Learning Financial Support Application in order to receive the Global Learning Financial Support.

Complete this form if you would like to build a community service project into your program while abroad. This service will count as the students' service requirement for the Global Learning Financial Support. ALL SERVICE MUST BE COMPLETED IN COUNTRY. If you need assistance designing your community service experience, please email eaoproposals@kennesaw.edu. For programs that do not have approved community service in country, students will be required to complete 5 hours of service prior to the program as outlined on the Global Learning Financial Support website.

Community Service Applications submitted after program proposal decisions are made will NOT be accepted. Requests to alter service activities after proposal decisions have been sent MUST be submitted in writing to eaoproposals@kennesaw.edu and approved before changes can be made.
