

## Group International Travel Form (Non-Education Abroad)

### OVERVIEW

The purpose of this form is to gather information for non-credit bearing foreign travel group experiences. It is to be used by faculty, staff or students leading groups of Kennesaw State student travelers on an academic or co-curricular international experience. If this program will be a credit-bearing program, please complete the education abroad program proposal process through the Education Abroad Office.

Submission of the “Group International Travel Form” and requested supporting information helps enable the Office of International Safety & Security to assist your group in the event of a medical or non-medical emergency (political insecurity or natural disaster) abroad. Providing the requested information supports the university’s duty of care, allows travelers to be enrolled in the supplemental international insurance, and provides travelers with access to in-country safety alerts and travel guidance.

### INSTRUCTIONS

**Part 1.** Notification of group student travel should be submitted to [globalsafety@kennesaw.edu](mailto:globalsafety@kennesaw.edu) at least **60 days in advance of travel**. Travel to high risk locations requires completion of a petition process and should be submitted **at least 90 days** in advance of travel in order to have sufficient time to complete the International Risk Management Advisory Board (IRMAB) petition process. It is strongly recommended to submit the petition prior to confirming travel and logistical arrangements.

**Part 2.** Additional travel logistics information should be submitted to [globalsafety@kennesaw.edu](mailto:globalsafety@kennesaw.edu) **approximately 30 days prior to travel (or as soon as finalized)**. See below “Travel Requirements & Checklist” for more information.

Once the Office of International Safety & Security has received the requested information, we will be in touch with travelers to communicate the process for enrolling in the supplemental insurance and other considerations for student international travel.

**ACKNOWLEDGEMENT OF RESPONSIBILITIES**

The information requested by the Office of International Safety & Security serves to connect participants to the university’s international emergency response protocol, which includes enrollment in the supplemental international insurance for Kennesaw State University students, faculty or staff participating in an academic or co-curricular international experience. As the group leader of the international travel experience, I understand that failure to provide the Office of International Safety & Security with the above requested travel details in a timely manner may carry the following consequences and limitations:

- Ability to receive important security updates or guidance from the Office of International Safety & Security;
- Ability to receive important security alerts and trip briefings from On Call International;
- Verification of enrollment in the university’s supplemental international insurance;
- Limitations or delays in the university’s ability to assist in the event of an emergency abroad.
